

Level 3 Award in Preparing to Teach in the Lifelong Learning Sector

Awarded by the Education Development International

Do you want to be a teacher, tutor or trainer and need to be able to plan, prepare and implement learning for a specialist area?

Why take this qualification?

- The qualification that all staff involved in the delivery of teaching and learning will need to have as a minimum
- Many awarding bodies will be requiring this qualification to license tutors to deliver their qualifications

Improve your career opportunities and success within the field of teaching and training

Objectives

On completion learners will have demonstrated that they are able to:

- Understand the teacher's role and legislative requirements
- Understand appropriate teaching and learning approaches
- Demonstrate session planning skills
- Deliver and evaluate learning

Understand the use of assessment methods and reasons for keeping records for assessment

Learning Outcomes

- Understand own role, responsibilities and boundaries of role in relation to teaching
- Understand appropriate teaching and learning approaches in the specialist area
- Demonstrate session planning skills
- Understand how to deliver inclusive sessions which motivate learners
- Understand the use of different assessment methods and the need for record keeping
